

BAY BREEZE

JULY 2009

There is nothing like lying flat on your back on the deck, alone except for the helmsman aft at the wheel, silence except for the lapping of the sea against the side of the ship. At that time you can be equal to Ulysses and brother to him. - Errol Flynn

This newsletter is being written on the Ides of July and the true center of our summer. These great days are fleeting, so enjoy each to the fullest. I'm out the door and off to Chicago for the 101st Race to Mackinac with my fingers crossed for wind.

INTRODUCING SOME OF OUR NEW EYC MEMBERS: (Forgive me & let me know if I missed you).

Dave & Joanne Pinozek of Escanaba have joined the club. They have been regulars at the harbor for some time. Dave grew up on his dad's boat. Dave & Joanne, along with their son, Kyle, and dog, Breezy, are well known by the group on Pier 3 where they dock their powerboat, "Island Dog"

Mark Norton & Gaye Smaniotto from the Ford River area are also regulars at the harbor who have now joined the club. Mark & Gaye have recently upsized to a new power boat which is on the "L" dock. These avid boaters regularly take significant cruises on the lake.

Matt Edgell & Sue Allan of Marquette. By the time this goes to press, these two will likely be married as a summer wedding is planned. Matt and Sue own the Islander 30 sailboat, "Cool Change" which is docked toward the end of Pier 3. They certainly lend two bright smiles to our harbor. Great to have Marquette people aboard.

Dick & Ann Pfothauer of Gladstone. "Aunt Ann & Uncle Dick" are back! These old time boaters and yacht club members are heartily welcomed back.

Dan & Barb Ross. "Boss Ross" is a fixture in its slip on the main wall. Dan and Barb are back as members and can regularly be seen holding court at the picnic table in front of the boat or at their new retirement "lake house" in Escanaba.

Tom & Barb Agerter. Tom is an old "harbor rat" from the 70s, and the former Barb Lee is originally from Escanaba as well. These new members recently accomplished an incredible feat in the world-renowned "Bermuda 1-2 Race." Tom single-handed their 30-foot sailboat from Newport, RI to Bermuda, and the couple double-handed the boat back with third-place finishes in each race. Trophies and a Bermudian flag now grace our trophy case as the boat sailed for the EYC. We thank this amazing couple for the publicity and glory they bring to the club.

OF INTEREST:

Jackson Harbor Soundings - Marilyn Kinsey and Glendon Brown were kind enough to share with us a chart of the soundings they made at Jackson Harbor earlier this summer. As some of you know, the bottom in that harbor can be difficult to avoid at times. Check the website for a detailed chart and Google Earth® image (provided by John Anthony) which will help you on your next visit to the Island.
